

Are you looking for a job? LINKnet can help you.

FREE Service!

LINKnet Mentoring is the first and only mentoring organisation which helps minority ethnic communities with one-to-one volunteer support in Edinburgh and the Lothians in their pursuit of employment or education.

Over the years thousands have taken part in various mentoring programs, education and employment mentoring programme being the most sought-after.

Our qualified, experienced and well-trained mentors help the mentees with job applications, developing good CVs, preparing for interviews, advice on job seeking and raising awareness of other social and cultural skills required to secure employment. We also provide help to those who wish to improve their educational qualifications.

Due to the COVID 19 situation all LINKnet services are provided using online methods.

If you are looking for short-term or long-term help please contact
