Family Support Safe and Secure Tenancies

Safe and Secure Tenancies

Helps single parents who are living in **private rental tenancies** to know their rights, feel empowered and to address housing issues before they escalate to crisis, preventing homelessness and promoting housing stability for single parent families.

- **Early intervention** to address issues before they escalate to crisis or eviction
- **Improve housing stability** and wellbeing for private tenants
- **Know your rights** as a private tenant
- **Advocacy** at early stage challenges or difficulties
- **Support to access** complex case support
- **Information, advice** and guidance about the private rental sector
